Application Details

Please provide the following documentation in support of your application:

9. Statement outlining your proposed research: Research Project Title, Aims and Objectives (including development of a potential business venture or product, if applicable); and a Non Technical Summary, understandable by the lay public. (1 page)
10. Detailed description of the planned work or research program: including a description of activities to be undertaken; anticipated achievements; annual budgets; and key milestones. (5 pages)
11. Letter of support: evidence of the Host Organisation's commitment and details including annual financial [cash] and in-kind contribution in support of your application of a VESKI Innovation Fellowship (Non-Australian). (1 page)
12. Statement of how your research through the VESKI Innovation Fellowship (Non-Australian) will: foster a culture of innovators; enhance Victoria's knowledge economy; expand relations with an industry sector and contribute to public benefit. (1 page).

Curriculum Vitae

13. Please provide a Curriculum Vitae (of no more than 10 pages) including: research and development experience; work experience; academic & noble achievements; publications, patents and other activities undertaken which demonstrate outstanding achievement and leadership potential in innovation; research and development and/or commercialisation.

Agreement

I have read the Application Guide for the VESKI Innovation Fellowships 2009/10 (Non-Australian) and confirm that the information contained in my application is true and accurate. I agree that, as a condition of my forwarding this application, I permit the release of all materials that I have submitted for the purposes of the selection process. Furthermore, I understand that in the event of an award of a VESKI Innovation Fellowship (Non-Australian), a description of my research project will be publicised.
