HOWRAH – 711 103.**

A BRIEF PROFILE OF THE UNIVERSITY

The Bengal Engineering and Science University, Shibpur, established as Calcutta Civil Engineering College, way back in 1856, with the idea of introducing engineering education in the country, has long and glorious past. In the year 1920, the college was renamed as Bengal Engineering College, Shibpur. Till 1992, it was a constituent college of the Calcutta University and has been offering PG Courses in Engineering since 1954. In recognition of its service to the nation for all these years, the college was elevated to the status of a Deemed University in 1992 and the then Honorable President of India, Dr. Sankar Dayal Sharma formally inaugurated the University on March 13, 1993. From 1st October 2004, the Institute was further elevated to the status of a State University and was renamed as Bengal Engineering and Science University, Shibpur.

The vision of the University is to be one of the best ten excellent engineering and science universities of the country, committed to transforming India to a developed nation and partnering in the realization of the Developed India Vision 2020, through development of world-class engineers and scientists. The university functions as a research-intensive university whose prime areas of activity are creation of knowledge and dissemination of knowledge in an environment of research which ensures that teaching and learning are conditioned by the latest research, and the nation is endowed with skilled manpower of the highest quality.

The above are being achieved with the help of highly qualified faculties, highly motivated students and state of the art laboratories and equipment.

The University covers a pleasant green area of nearly 49 hectares and has the following in campus facilities.

- A well equipped Gymnasium
- Well maintained Sports Fields
- A Students' Canteen
- Hostel for P.G. students
- Campus-wide Networking
- A small hospital
- A well equipped Institute Hall for cultural activities
- A bank with ATM Counter
- University Guest House etc.

It is located in a sylvan surrounding on the bank of the holy and mighty river Hooghly, adjacent to the famous Indian Botanic Garden and is 20 minutes drive from the heart of the city of Kolkata.

INFORMATION REGARDING ADMISSION TO POST-GRADUATE PROGRAMMES (2009 -10)

Applications are invited for admission to the following full time 4-semester Master of Engineering (ME), Master of Town & Regional Planning (MTRP) and Master of Technology (M.Tech.) courses at Bengal Engineering and Science University, Shibpur for the session 2009-10 as shown in the table below :

Sl. No.	Departments & Programmes	Area of Specialisation	Proposed intake during 2009 – 10		Qualification
			GATE GEN + SC/ST	Sponsored	
1. M.Sc in Physics, Chemistry and Geology and any subject in the purview of Applied Physics and Applied Chemistry. For (b) All candidates eligible for (a) are eligible for (b). In addition B.E./B.Tech in Computer Science, Information Technology and any subject in the purview of Applied Mathematics or equivalent. M.Sc in Computer Science, Mathematics and any subject in the purview of Applied Mathematics.
13.	Information Technology <i>Master of Engineering in Information Technology</i>	Information & Communication Engineering (AICTE approval is awaited. As of now, no GATE scholarship is available for this course)	16	2	B.E/B.Tech in Information Technology/Computer Science & Technology/Electronics & Telecommunication Engineering, Electrical Engineering or equivalent

POST GRADUATE COURSES:

The University offers 4-semester post graduate courses leading to **Master of Engineering (ME)** degree in 9 disciplines, namely, Civil, Electrical, Mechanical, Metallurgical, Mining, Electronics & Tele-Communication, Computer Science & Technology, Aerospace & Applied Mechanics, and Information Technology. It also offers **Master of Technology (M. Tech)** degree in Materials Engineering, VLSI Design and Mechatronics, as well as the **Master of Town & Regional Planning (MTRP)** degree.

In addition to above, the University also offers the following post-graduate courses:

- 6-semester full time course in Master of Computer Applications (MCA)
- 6-semester part time evening post-graduate course in Civil Engineering in five areas of specialization namely Structural Engineering, Geo-technical Engineering and Environmental Engineering, Transportation Engineering and Water Resource Engineering.
- 6-semester part time evening course in Industrial Metallurgy.
- 6-semester part-time M.Tech. courses in Information Technology under the aegis of Purabi Das School of Information Technology (PDSIT).
- 6-Semester Part Time M.Tech courses in Safety and Occupational Health Engineering
- 4-semester full time course in Master of Business Administrator (MBA) under the aegis of School of Management Science (SOMS).
- 4-semester M.Sc. courses in Applied Chemistry, Applied Geology, Applied Mathematics, Applied Physics and Geo-informatics.

The University has been approved as a Q.I.P. Centre for **Master of Engineering** Courses in Civil Engineering, Electrical Engineering, Mechanical Engineering, Mining Engineering and Computer Science and Technology disciplines and for **Ph.D.** in Civil Engineering.

In addition to regular Ph.D. programme, the University also offers research facilities in a wide range of fields of Engineering, Science and Technology through a large number of R&D projects sponsored by National and International Agencies.

ELIGIBILITY

- A.i) The candidates for admission to the fulltime **postgraduate courses** in Engineering/Technology/Architecture must possess a Degree in Engineering/Architecture of this University *or* any other University/Institution as recognized by Bengal Engineering and Science University, Shibpur *or* equivalent to Bachelor's Degree in Engineering/Technology/ Architecture for that purpose. The candidates whose results in the qualifying examination are yet to be declared but have succeeded in GATE examination are also eligible to apply subject to the conditions stated in clause (C) below.
- ii) A pass in A.M.I.E. Examinations in particular branch of Engineering/A.M.I.I.M./ A.M.I.E.T.E. Examination with B.Sc. of any recognized University with Physical Science

or with Licentiate Engineering Diploma of a recognized institute will be considered as an equivalent qualification for that branch of Engineering/Technology.

- iii) For admission to **MTRP programme** the following will be considered as an equivalent qualification: A good Bachelor Degree (in Architecture/Civil/Planning) from a recognized University or a Deemed University OR AIIA or AMIE with or without GATE qualification OR a regular Post Graduate Degree in M.A./M.Sc. (in Economics/Geography/Sociology) with or without NET qualification
- iv) For admission to **Master of Technology course in (a) Materials Design and Application**, the candidate must possess a degree BE/ B.Tech in Metallurgical, Materials, Mechanical, Production, Civil, Chemical, Ceramic, Polymer, Electrical and Electronics Engineering, Jute/Fiber Technology and any subject in the purview of Applied Physics, Applied Chemistry or equivalent.
M.Sc in Physics, Chemistry and Geology and any subject in the purview of Applied Physics and Applied Chemistry.
For admission to **Master of Technology course in (b) Materials Modeling and Optimization** all candidates eligible for (a) are eligible for (b). In addition B.E./B.Tech in Computer Science, Information Technology and any subject in the purview of Applied Mathematics or equivalent/M.Sc in Computer Science, Mathematics and any subject in the purview of Applied Mathematics.
- v) For admission to **Master of Technology course in VLSI Design**, the candidate must possess a degree (BE/BTech.) in Computer Science and Technology/Electronics and Telecommunication Engineering/Electrical Engineering/Information Technology from any University/Institution as recognized by Bengal Engineering and Science University, Shibpur
- vi) For admission to **M.Tech Programme in Mechatronics** :

(The M.Tech in Mechatronics is a programme to be conducted jointly by Bengal Engineering and Science University, Shibpur and Council of Scientific and Industrial Research, New Delhi, through its associated Institutes; Central Electronics Engineering Research Institute, Pilani, Central Scientific Instrument organization, Chandigarh and Central Mechanical Engineering Research Institute, Durgapur. The program will be of two years duration and will be conducted by the participating Institutes by utilizing their expertise and facilities available. While the course will be conducted at BESU, CEERI, CSIO and CMERI, the academic degree will be awarded to students by BESU on successful completion of the course.)

- (a) Eligibility: for **10 seats (non-sponsored)** qualification required is a valid GATE score with minimum 60% marks in B.E./B.Tech.Mechanical/Production/Manufacturing/Aeronautical/Electrical/ Electronics/ Telecommunication/ Instrumentation/ Control/ Comp. Sc. & Engg./ IT or equivalent.
- (b) For **5 Sponsored seats** : No. of Students : **5**: (CSIR+External) with minimum 60% marks in B.E./B.Tech or equivalent in appropriate discipline.
- (c) Admission procedure: as per rules of Bengal Engineering and Science University, Shibpur.

- (d) Reservation norms will be applicable as per the University Rules.
 - (e) All the academic rules of BESUS (where applicable) will be followed for the programme.
 - (f) Course structure: subjects will be covered by the BESU and the participating Institutes of CSIR at CEERI, CSIO and CMERI.
- B. As per the directives of the **Ministry of Human Resources Development (MHRD), Govt. of India**, the following procedure is to be adopted for admission to postgraduate programmes with Scholarship/Assistantship. The **GATE** score obtained by the candidate will be considered for admission. If the candidate is to be selected through written test/interview for postgraduate programmes, not less than 70% weightage is to be given for the GATE score and the remaining up to 30% to the marks obtained by the candidate in his/her qualifying examination or interview.
- C. All candidates who are eligible for admission but whose results are yet to be declared, will be allowed provisional admission, if selected, on production of **Course Completion Certificate** from appropriate authorities. They will be required to submit their results of the qualifying degree examinations by 30.09.2009 failing which their admission may be treated as cancelled.
- D. A limited number of seats in different Departments are available for **full-time sponsored BE/ B.Tech./ B.Arch. candidates**; such candidates should **submit their application through the sponsoring authorities. Minimum 2 years experience after Bachelor's degree is essential.**

Notes

- i) Candidates who qualified in the GATE in 2007 or earlier will be treated as **Non- GATE Candidates**.
- ii) The candidates (i) having such professional qualifications **must qualify in the interview, along with Sponsored candidates**, arranged by the concerned Departments.
- iii) **Admission for Non-GATE sponsored candidates will only be considered according to the merit, if seats remain vacant in respective department after admission of GATE candidates.**
- iv) Those candidates **who do not report for Interview** at the scheduled time, date and venue, as mentioned in back side of the front cover page, will not be eligible for admission in this session. Request for change of time, date and venue for interview will **not** be entertained.
- v) Certificate for SC/ST: Scheduled caste/Scheduled Tribe candidates in W.B, as specified in Govt of W.B Order No. 112(2)-TW/EC dated 07.03.91 are eligible for seeking admission under SC/ST Quota. SC/ST candidates hailing from states other than West Bengal are not eligible for such benefits and they will be treated as General category candidates.

ADMISSION OF SPONSORED CANDIDATES

1. The candidates must have a **minimum of two years full time work experience** in a registered firm/company/industry/educational and research institutions/any Government Department or Government Autonomous organisation in the relevant field in which admission is made.
2. A certificate from the employer must be furnished, **in prescribed proforma**, stating that candidate is being sponsored to get admission. The employer should also indicate that **the candidate will not be withdrawn midway till the completion of the course.**

ATTENDANCE REQUIREMENT

To appear in the final/annual examination each student is required to have **at least 75% attendance in each subject.**

DISCIPLINE

Students are expected to observe norms of good behavior, rules and regulations prescribed and orders issued by the university authorities from time to time.

IMPORTANT POINT TO BE NOTED:

If in any particular **field of specialization number of students remains less than five**, the university reserves the right not to run that particular programme. In the event of a particular programme not run by the university, the draft received towards payment of fee shall be returned back after closer of admission.

HOW TO APPLY

Applications are to be submitted in prescribed forms available in person from the University Information Counter, on payment of Rs. 500/- (Rs.550/- in case by post) by Demand Draft drawn in favour of “**Registrar, Bengal Engineering and Science University, Shibpur**” payable at Kolkata, between 10-30 a.m. and 1-30 p.m. on all working days **from 6th April, 2009 onwards**. The duly filled in form must reach the office of the Registrar **latest by 27th April, 2009**. Candidates may also download the application form from our website www.becs.ac.in and in this case, the application is to be submitted alongwith a D.D. of Rs. 500/- drawn in favour of the Registrar, BESUS payable at Kolkata.

Name of the candidate and form number are to be written clearly on the reverse side of the D.D.

Candidates seeking admission to Master of Engineering / Technology degree course in **more than one department** must submit **separate application forms** along with the **requisite application fee for each case**. However, application cannot be done in more than two programmes. In such cases, candidates must mention in each application form, the name of other department where they have also applied for.

ADMISSION PROCEDURE AND OTHER DETAILS

A department-wise list of eligible candidates called for interview, as decided by the respective department, will be displayed in the university notice board and also in respective departmental notice board on **08.05.09** along with venue and time schedule. The list will also be available in university website.

I. Listed candidates (GATE) are required to appear for interview on **16.05.09** as per schedule given in the back side of the front cover page. Sponsored candidates will have to appear for a test followed by the interview on the same date.

II. A department-wise merit list of candidates will be made for both 'General (Non-sponsored)' and SC/ST categories on the basis of 70% weightage for the GATE score and 30% weightage for performance in interview. Merit list for sponsored candidates will be made on the basis of 70% weightage on the results of selection test, and 30% weightage the performance in interview. Department-wise merit lists for candidates eligible for counselling will be displayed on the university notice board and also in respective departmental notice board on **25.05.2009**. Merit list will also be available in the University website.

If the result of final examination is not published at the time of interview, selection shall be made on the results of previous semester /part of qualifying examinations.

III. Those candidates, belonging to either GATE or Sponsored categories, who fail to report for interview will **not** be eligible for admission.

IV. The counselling of the merit-listed GATE candidates and that of Sponsored candidates will be held on **01.06.2009**.

V. On receipt of **offer letter** for admission from the respective Head of the Department, the candidate will have to report for admission to the respective courses to the Registrar, Bengal Engineering and Science University, Shibpur on **June 2-3, 2009** between 10-30 a.m. to 1-30 p.m. and 2-30 p.m. to 5-00 p.m. with the following documents:

- (i) Offer letter issued by respective department
- (ii) Original mark sheets of all semester / part examinations and certificates
- (iii) Three copies of stamp size photograph
- (iv) Medical certificate along with the Blood Group
- (v) The GATE score card (original), where applicable
- (vi) Demand Draft/ Pay Order for the amount as stated in item VIII below.
- (vii) Migration certificate issued by the university from which the candidate has come (see item X) .

VI. A 2nd list of Candidate(s), if necessary, will be made for GATE and Sponsored Candidates and will be displayed in respective departments on **09.06.2009**.

Counselling and Admission of candidates in 2nd Merit list will be held on **June 16, 2009**.

On receipt of offer for admission, the candidates will have to report to the Registrar with documents as mentioned in item V.

VII. Fees payable by students:

Admission Fee (one time)	Rs. 200.00
Registration Fee	Rs. 200.00
Students Activity and other Fees (Annual)	Rs. 100.00
Caution Deposit (one time)	Rs. 1000.00
Infrastructure Maintenance Fee (Annual)	Rs. 2000.00
Tuition Fees (per month) :	
(i) Master of Engg., MTRP	Rs. 1500.00
(ii) M.Tech in Materials Engg. & VLSI Design.	Rs. 2000.00
(iii) M.Tech in Mechatronics	Rs. 3000.00
Examination Fee (per Semester)	Rs. 500.00

VIII. Fees to be paid at the time of admission:

For ME, MTRP & M.Tech

Item	For ME, MTRP Rs.	For M.Tech in Materials Engg. & VLSI Design Rs.	For M.Tech in Mechatronics Rs.
Admission Fee	200.00	200.00	200.00
Registration Fee	200.00	200.00	200.00
Students Activity and other Fees (Annual)	100.00	100.00	100.00
